COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE

Honorable Commissioner for Patents
P.O. Box 1450
Alexandria, Virginia 22313-1450

Sir:

Applicants have reviewed the Examiner's Statement of Reasons for Allowance, and believes that it should be changed to read as follows:

"The prior art fails to show and teach a light emitting diode device comprising a substrate, a lower reflection film, an LED, a resin layer encapsulating the LED, an upper reflection layer wherein the layer is formed by metal and can transmit a portion of the light rays, and light rays which are reflected by the lower reflection film are discharged in the forward direction passing through the upper reflection layer and through side walls of the resin layer, as claimed."

Respectfully submitted,
